

MBA International Week “Made in Italy” – Luiss Business School with Valentino SpA

The MBA International Week takes place at the beautiful **Luiss Business School campus, Villa Blanc**, in **Rome**. The event gathers **talented MBA students** from **prestigious business schools** worldwide. The occasion allows participants to **work in teams** with students from different schools, diverse cultural backgrounds and industries to collaborate on the **business case** provided by an important Italian company recognized worldwide.

The various groups will have the opportunity to directly present their solutions and ideas to the **company’s manager** present during the event. Students will have the chance to participate in **different business-oriented activities**, including *workshops* held by guest speakers, *teamwork*, and *company visit*. In occurrence with Luiss Business School's faculty, the host company representatives will guide participants through the essential skill development process while creating substantial business opportunities to tackle the social and economic challenges presented in the business case.

Target Audience

The MBA International Week is open to students enrolled in or recently graduated post-experience MBA Programme. Particularly,

- MBA full-time students.
- MBA part-time students.
- Online MBA Students.

Registration

Each school could nominate up to 5 (five) students to participate in the event. We welcome students from different industries and backgrounds to contribute more comprehensively to the business case solution. The Home School will nominate the single participants or the group participant via the following [Nomination Form](#) from March 23 to May 20, 2022.

The participant will obtain **6 CFU/ECTS**.

Participation Fee

- Partner schools*: €650/student.
- Non-partner schools: €800/Student.

The fee includes cocktail and welcome coffee; company visit; workshops; and study material. Accommodation excluded.

Please, consider that the fee is not refundable.

*for students coming from Luiss Business School exchange partner schools.
